

# TENDLER WINS REFEREE'S DECISION

New York, Feb. 24.—Law Tandler of Philadelphia, won a referee's decision over Hyman Gold of California, in the eighth round of their bout here tonight.

Referee Kid McPharland counted ten over the western boxer as he sat huddled in his corner apparently in pain.

Once the referee had warned Tandler against hitting low, but he refused to listen to Gold and his seconds when they claimed one of the easterner's blows in the seventh had landed below the belt. In most of the rounds up to the seventh Gold had held his own, bringing blood to the Philadelphia's nose in the second and staggering him with hard rights to the jaw on other occasions.

The decision came when Gold, after claiming foul in the seventh, refused to leave his corner at the sound of the bell for the eighth.

Gold appeared to have trouble in defending himself against Tandler's body attacks, though he seemed the better of the two in the sparring at long range.

Madison Square Garden was filled with a capacity crowd, the majority of the fans seeming in favor of the Californian. Many booed the judges and the referee and cheered for the western boy as he was helped from the ring.

Gold led the fighting and outpointed Tandler in the first three rounds. He drew blood from the Philadelphia's nose with a straight left in the second. The referee once cautioned Tandler against hitting low.

Tandler hurt Gold with heavy lefts to the stomach and ribs in the fourth, fifth and sixth rounds, but the Oakland boy came through and sent hard lefts and rights to the head, standing off the Philadelphia in the sixth.

Physicians who examined Gold immediately after he was led to his dressing room announced that they had failed to discover evidence of a foul blow.

Tandler weighed 125½ and Gold 132½.

Rube Herman, San Francisco, featherweight, received the judges' decision over Billy De Foe of St. Paul in a 12 round match here tonight.

Jimmy Davis, Portland, Oregon, middleweight, defeated Andy Palmer, of Tulsa, Okla., getting a judges' decision after an 8 round preliminary.

Clonie Tait, of Minneapolis, claimant of the Canadian lightweight champion-

ship, defeated Johnny Murray, New York, in the eighth round after their 15 round curtain raiser.

## DREW RETURNS TO COACHING DUTIES

Coach Drew of the Trinity basketball five, who was taken ill over the week-end while visiting in Springfield, returned to Hartford Thursday and took charge of the Trinity team again, beginning the college campus guard in shape for its game with the City College of New York five in New York Saturday night.

The team worked out Thursday at the high school gym, but the grind will be eased a little Friday. The five is in for a tough contest with the New Yorkers. Syracuse noted out Trinity on the home floor of the locals, 39 to 29, while New York defeated the Orange team the following night by a seven point margin in New York.

The Trinity team took a complete layoff Monday and most of its members spent Monday night walking post around the college campus guarding against another fire. Tuesday there was no practice in order to give the men a chance to make up some back sleep, but Wednesday the squad got back into harness again with Fred Stone filling Drew's shoes.

It is thought that Coach Drew will take about ten men to New York with him and will star Jepson at center, Canner and Ketter at forwards and Nordlund and Miller at guards.

## FINAL DETAILS IN PROGRAM OF ITALIAN OLYMPIC GAMES

Rome, Feb. 24.—(By The A. P.)—Final details are now being completed for the programme of the Italian Olympic games, which will extend over a period of ten or twelve days during April.

The affair is being organized on a grand scale, comprising 26 university centers and including not only sport but also art and science on the programme.

The meeting will be held in the Rome sports physical training grounds along the River Tiber, as the stadium is considered too small to accommodate all the events.

The sport events will include the usual

track and field activities, augmented by boxing, cycling, gymnastics, football, volleyball, fencing, skiing, tennis and shooting. The rowing and swimming events will take place on Lake Albano, where the sloping banks afford a natural amphitheatre.

Gabriele D'Annunzio will preside over the art events, in which are to be included literature, music and sculpture. The science section includes chemistry, philosophy, physics, jurisprudence, medicine, pedagogy, mathematics, commerce and agriculture.

### Seniors Defeat New London

The Y Seniors added another to their string of victories last night when they defeated the New London Independents by the score of 4 to 1. The early part of the game was particularly fast and both teams displayed some excellent work. The visitors seemed a bit unaccustomed to the local floor and the Yers throughout the contest "rolled 'em in" with the assistance of their usually good pass work.

### Y Seniors Defeat Independents

The old-timers proceeded to educate the new-comers in America's greatest indoor pastime, draw and shoot. The Y Seniors, manager of the Brooklyn team, is at Dever Hall and will meet his players at Jacksonville. Burleigh Grimes, pitcher, Zach Wheat, outfielder, and Ray Schmandt, first baseman are the chief "holdouts." All are demanding more money.

### CHICAGO GRAIN MARKET

Chicago, Feb. 24.—Indications of a lively export demand led to a sudden upturn of prices at the last in the wheat market today after material decline. The close was unsettled, 3-8 net lower to 3-4 advance, with May 1.45 5-8 to 1.44 1-2, and July 1.24 1-2 to 1.24 5-8. Corn gained 1-4 to 1.14, and provisions varying from a setback of 20 to a rise of 5 cents.

Changes from the selling to the buying side in the wheat market were numerous and hurried near the end of the day, word having passed around that new export sales of wheat totalled 700,000 bushels, including 200,000 bushels at the Gulf of Mexico, and that Greece was asking 1-4 to 1-5, and provisions varying from a setback of 20 to a rise of 5 cents.

## OVER 17 MILLION JARS USED YEARLY

# Test Vicks Vapoors Free

## We give you a trial tin and guarantee the first jar

TO persons who suffer all winter long with one cold after another—to those subject to husky sore throat or tonsillitis—to mothers of croupy children—we recommend immediate trial of Vicks VapoRUB, the quick-acting external remedy for all cold troubles.

### The DIRECT Treatment

ABSORBED, like a liniment, and, at the same time,

INHALED, as vapor, Vicks reaches immediately the affected air passages.

### Free To Every Family

To enable every family here to know the action of Vicks vapors, the Vicks Chemical Company has ordered the delivery of a 1/2 ounce trial tin of Vicks at once to each home. While this sample is not enough for a full application over throat and chest, it is sufficient to test the vapors by melting Vicks in a spoon and inhaling the fumes. You can feel immediately the effect of the medication in the nose, throat and lungs.

### First Jar Guaranteed

Vicks does not cure every case. No remedy can do that. But it is successful in such a large percentage of cold troubles, from head colds and sore throat down to deep chest colds and bronchitis that for years we have been able to make this offer: Buy the 35c, 75c or \$1.50 size. Use all or part of a jar. If you are not delighted with the results, mail us the top of the carton and we will cheerfully refund the purchase price.

### ROBINS OFF FOR JACKSONVILLE CAMP

While the other New York teams were standing still Thursday the Brooklyn Robins made some progress. They started, or some of them did, for the training camp at Jacksonville, Fla., and signed Tommy Griffith, a hard hitting fielder.

The southward-bound delegation was led by Larry Sutton, the famous scout, and embarked on board the Annapolis, the Clyde Line. Three of the leading pitchers—"Dutch" Reuther, Clarence Mitchell and Al Mamaux were in the party, and with them were Hal Janvin, Roy J. Auer, William J. McCarron, John Roseberry, John S. Sutton and Henry Fisher.

They waved goodbye at noon. Then the old-timers proceeded to educate the new-comers in America's greatest indoor pastime, draw and shoot. The Brooklyn team is at Dever Hall and will meet his players at Jacksonville. Burleigh Grimes, pitcher, Zach Wheat, outfielder, and Ray Schmandt, first baseman are the chief "holdouts." ### CORNELL COACHES TAKE INTEREST IN HONOR MEN

Ithaca, N. Y., Feb. 23.—An unusual spectacle in connection with Cornell University's significant convocation hour today to do honor to those students who have distinguished themselves in scholarship was the presence in Baldy Hall, where the exercises were held, of all the coaches of athletic teams.

This coaching bloc was headed by the veteran Jack Mackley, cross-country and track coach, and included John Hoyle, rowing; Gilmour Dobie, football; John J. Carney, baseball; Walter O'Connell, wrestling; Howard Ottner, basketball; Nicholas Bawlf, lacrosse; and Paul Lackley, freshman coach. The coaches had 100 per cent representation, while about ninety members of the Faculty out of probably 500 occupied seats on the stage.

### DILHOEFER, CARDS CATCHER IS DEAD

St. Louis, Feb. 23.—William "Pickles" Dilhoefer, 23 years old, St. Louis National league catcher, died at a hospital Thursday from typhoid fever.

Dilhoefer's home was in Cleveland. He was taken sick in January, shortly after his return from Mobile, Ala., where he was married to Miss Masale Slocum.

The catcher came here several years ago from the Philadelphia Nationals and he frequently topped at third base. His death leaves the Cardinals with only two regular catchers—Clemens and Almsmith.

and inhalation was discovered by Lunsford Richardson, a druggist of Greensboro, North Carolina, the "Tar Heel" state. In experimenting with the well-known volatile remedies for colds, he found a way to combine Camphor and Menthol with Eucalyptus, Thyme, Turpentine and other essential oils into the form of a salve. When applied over throat and chest it was absorbed thru and stimulated the skin. In addition, the ingredients were released as vapors by the body heat and inhaled with each breath directly into the affected air passages.

### How Vicks Should Be Used

Hot Wet Cloths—In cases of deep chest colds, severe sore throat or incipient pneumonia, hot wet towels should be used over the throat and chest to open the pores of the skin before applying Vicks.

For Head Colds, Asthma, Catarrh, Hay Fever—Vicks should be melted in a spoon and the vapors inhaled, or a little can be applied up the nostrils and snuffed up the head.

For Spasmodic Croup, Children's Colds—Rub Vicks over the throat and chest until the difficult breathing is relieved, then spread on thickly and cover with a hot flannel cloth. One application at bed time usually prevents a night attack of croup.

For Deep Chest Colds, Sore Throat, Tonsillitis, Bronchitis, Coughs—Vicks should be applied over the throat and chest—if necessary, first using hot wet cloths—and rubbed in well until the skin is red; then spread on thickly and covered with one or two thicknesses of hot flannel cloths. If the cough is annoying, a small piece of the size of a pea can be swallowed every few hours.

Used as a Liniment, Poultice or Plaster—On account of its penetrative and rubefacient effect on the skin, Vicks has been found excellent for many minor ailments, such as Bites, Boils, Burns, Bruises, Cuts, Frostbite, Itchings, Muscular Soreness, Poison oak, Sun
